Dear Parent/Guardian/Senior:

I hope that this summer has been relaxing and rewarding. The 2011/2012 school year will begin shortly and I want to discuss your new role as an incoming senior at Westhampton Beach High School. As seniors, I expect you to be the student leaders of the building. The underclassmen are looking to you for guidance and leadership both in and out of the classroom. **The senior year is the most important year of your school career.** A strong senior experience will enhance the college selection process and firmly establish academic and social skills.

Our district theme is "Striving for Mastery: High Expectations for All." We want you to reach your fullest potential and to take advantage of every opportunity that the school offers. You need to attend class every day, complete all of your work consistently, and be a positive force both in and out of the classroom. With this concept in mind, we have instituted the "Senior Privileges."

Attached is a description of the Senior Privileges that you will have beginning in September. Carefully read through this information. We will be meeting with the senior class during the first week of school to discuss this and many other issues in an attempt to maximize your high school experience and help ensure a successful transition from high school to college/career.

I am looking forward to a great 2011/2012 school year and I fully expect this class to make its mark on our school community! See you soon!

Yours truly,

Christopher Herr, Principal
