Dear Parents of Incoming Freshmen,

I would like to cordially invite you to our Freshmen Orientation program for parents on **Wednesday, January 25, 2012, at 7:00 PM** at the Westhampton Beach High School in our auditorium. The primary focus of the presentation is student transition. Eighth grade students will attend their orientation program during the day on a date to be announced. I want our incoming freshmen and their families to be prepared for the high school experience.

The evening will feature key staff speakers, an introduction to the scheduling process, and a tour of our high school. An important resource that you can utilize in preparation for this presentation is the 2012/2013 Westhampton Beach High School "Course Offerings Catalog." You will either receive a copy in the mail or your child will bring a catalog home. Additionally, soon you will be able to access the catalog on our website: [www.whbschools.org](http://www.whbschools.org). The program will conclude at approximately 8:30 PM.

My best wishes to you and your family for a safe and happy holiday season. My staff and I look forward to meeting you on January 25!

Sincerely,

Christopher Herr  
Principal
