Responsibilities and Waiver Forms

(Student cannot participate without this form being properly filled out and signed)

All participants are to adhere to the same rules outlined per the Westhampton Beach Schools codes of conduct. The same rules that apply at school grounds will apply throughout the duration of this trip.

In addition to the school's code of conduct, we also expect all participants to follow the mountain's rules and regulations. The mountain has the right to revoke any riders lift ticket (without reimbursement) should they feel that the rider's behavior is dangerous and/or warrants such actions.

Please note that skiing and boarding are dangerous activities that require riders to be alert and use good judgement. Skiers and boarders should be aware that there are elements of risk in snow sports that common sense and personal awareness can help reduce. Please be sure to review this list of rider responsibility codes with your child.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

I hereby expressly release, discharge and hold harmless from any liability whatsoever the WHBHS PTO &/or chaperones. I certify that I am familiar with the contents of this release, that I have read and understand the same, and that it is my intention by signing this release that the same is binding not only of me, but my heirs, administrators, executors, successors and assigns.
